

ALLIED LEADERS PERPLEXED OVER GERMAN FAILURE TO ACT PROMPTLY

No Word Comes From Huns as to Personnel of Delegates or Time of Signing.

NO SIGNING PROBABLE BEFORE FIRST OF WEEK

German Army Officers Make Dire threats Over Acceptance of Peace Terms.

Italian Delegates to Arrive Friday.

(By Associated Press)

Paris, June 25.—Up to 4:45 this afternoon no official word had been received here regarding Germany's plans with regard to the formal signing of the peace treaty. The peace conference leaders were very much perplexed over the situation.

It was conceded to be impossible that the ceremony of signing the peace treaty could take place before Saturday. Unofficial reports were that it would probably be delayed until Monday.

(By Associated Press)

Germany has proved slow in making known to the peace conference in Paris what her plans are regarding her representation at the formal signing of the peace treaty.

Conference circles are reported somewhat uneasy over the lack of official advices from the German government as regards the personnel of its new delegation and the time of its coming, as all the arrangements for the ceremony are being held up.

It is still hoped in Paris that the treaty will be signed Friday, but the event may go over until the following day. Everything manifestly now depends upon the time of arrival of the German delegates.

It is expected that the new Italian delegation, headed by Tommaso Tittoni, the new Italian Foreign Minister, will arrive in Paris Friday to resume the activities of Italy relative to the treaty with Austria.

There are several important matters still to be adjusted before the remainder of the Austrian treaty can be presented to the Austrian delegates, and it is expected that the Italian mission will lose no time in bringing before the Supreme Council the demands of its country.

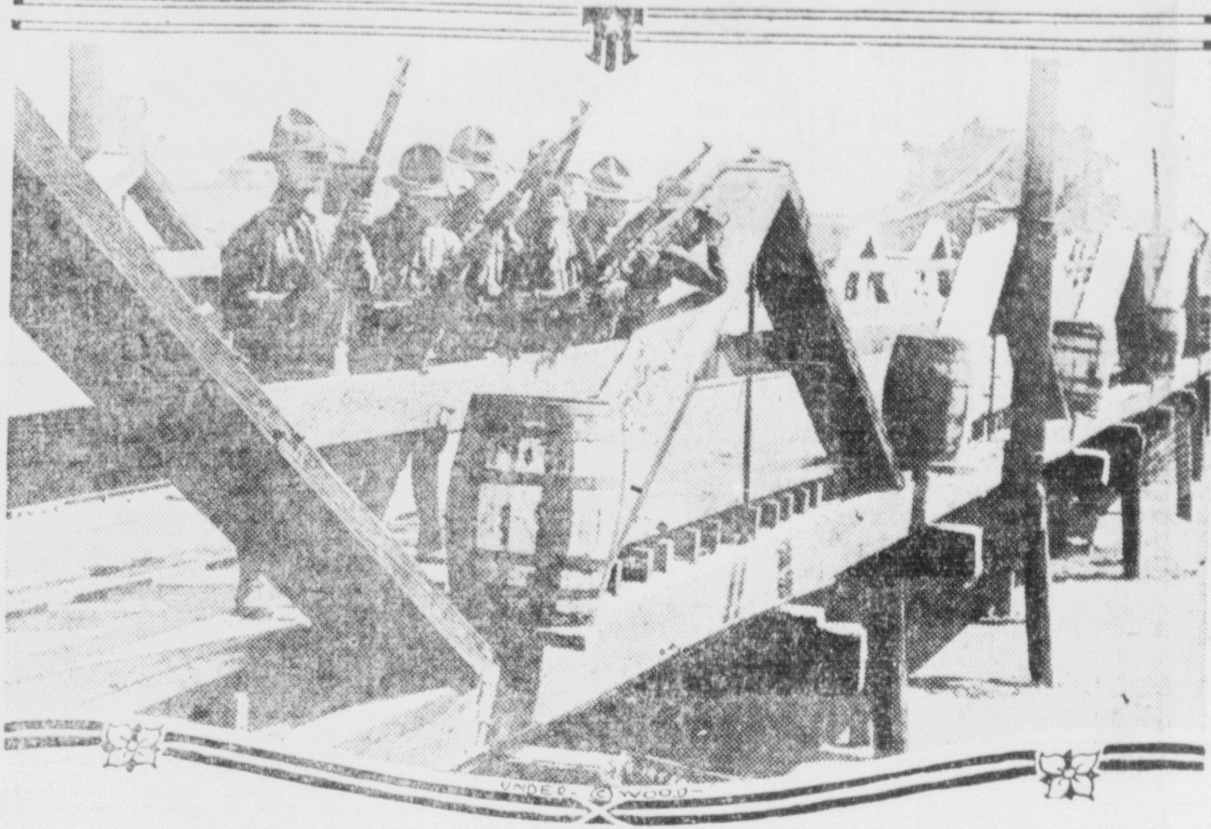

France, and presumably the other allied nations, are prepared for eventualities should the Germans fail to carry out the provisions of the treaty, which now is ready for the signatures of the delegates.

Premier Clemenceau, in replying to questions of members of the Chamber of Deputies relative to demobilization, said yesterday that precautions are necessary. "In view of the state of mind of the Germans," the Premier pointed out that the destruction of German ships in Scapa Flow and at Kiel showed the "spirit in which the Germans will sign the treaty."

Dispatches from Berlin indicate that feeling over the peace situation still is running high in German military circles, officers speaking of "defending the honor of the German army and its leaders" by adopting "special measures."

Formal approval has been given by the Supreme Council of the conference to the plan of giving Belgium priority in reparations to the extent of about \$500,000,000.

OLD BILL IS SHOCKED BY THE TERMS

Former Monarch Said to Have Received News As Jolt.

Resumes Log Sawing At Usual Hour, However.

(By Associated Press)

Amerogen, June 25.—News of Germany's decision to accept the peace terms, including the clause providing for the delivery of the former German emperor to the allies, reached the castle late yesterday.

Exactly how the former emperor was affected by the tidings cannot be ascertained, but the attitude of members of his party gives rise to the belief that the news was a considerable shock.

The former monarch resumed his customary log sawing at the usual hour.

GRAND JURORS ASK OFFICIALS TO QUIT JOBS

(By Associated Press)

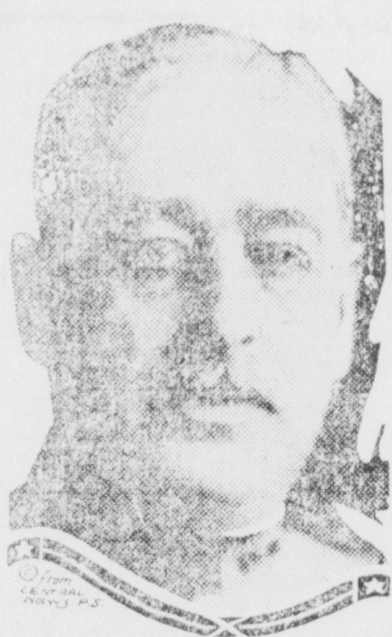

Cleveland, O., June 25.—Eight new indictments, all for perjury, were returned by the special grand jury investigating crime conditions and administration of justice in its final report today.

Four other indictments for perjury had previously been returned. The report urges the immediate resignation of County Prosecutor Doerflinger and Director of Public Safety A. B. Sprosty.

COXEY GETS A BRIEF HEARING

(By Associated Press)

Washington, June 25.—Jacob Coxey of Massillon, Ohio, who in 1894 led his famous army of "unemployed" to the capital, appeared before the House Banking and Currency Committee today to advocate legislation which, he said, would end unemployment, but after he had distributed a copy of a pamphlet the committee adjourned suddenly.

The publication discussed various proposals for correcting conditions of unemployment.

(By Associated Press)

Columbus, O., June 25.—A dispatch received here today from New York stated that the 308th Supply Train, formerly a part of the Eighty-third Division, which trained at Camp Sherman, landed in New York this morning on the transport Santa Teresa. The train embarked from St. Nazaire.

PROHIBITION WORKERS JOIN IN CELEBRATION

The Fiftieth Anniversary Being Celebrated.

(By Associated Press)

Columbus, O., June 25.—Prohibition leaders and workers from all parts of the state are here to attend the Fiftieth Anniversary celebration of the Prohibition cause. Meetings were held throughout the day and will be held tonight at which speakers of national prominence will deliver addresses.

At a preliminary meeting last night the leaders said the prohibition party would not disband until victory is won. The prohibition battle, one of the speakers declared, will not be over until prohibition party has John Barleycorn's signature to the peace treaty. Getting the prohibition into the constitution amounts merely to signing the armistice, they declared.

ARMY BILL WILL BE PASSED BY SENATE TODAY

Army of Four Hundred Thousand and For The Current Year Is Provided.

(By Associated Press)

Washington, June 25.—Although a number of senators had expressed a desire to discuss some minor amendments when consideration of the army appropriations bill was resumed in the Senate today, leaders predicted passage before adjournment was certain.

All committee amendments were disposed of at the session last night and the bill was in form to be voted on when adjournment was taken.

As amended the bill provides for an average army of 400,000 men for the year beginning July 1st.

AWARDED DIPLOMAS

(By Associated Press)

Among them are Helen Anger, of Trenton; Alice McConaughy, of Cincinnati; Catherine Chancellor, of Wooster; Alice Oakes, of Canton; Eliza Furber, of Covington, Ky.; and Elizabeth Quisenberry, of Simpsonville, Ky.

APPALLING CONDITIONS IN ARMENIA WHERE BLOODY TURK APPLIED SWORD

(By Associated Press)

LONDON, June 25.—"I have seen towns where there were 7,000 refugees losing 1,000 of them monthly through starvation. I have seen a town thirty miles from the railroad reduced by starvation from a population of 4,000 to 2,000 in ten days."

That is what is happening in Armenia, according to Lieutenant Melville Chater of the American Red Cross, who has arrived in London after an extensive tour of the Near East.

Conditions there, he told The Associated Press representative, are simply appalling. The people are in rags. Disease, no less than starvation, is taking a heavy toll, and it is difficult to check its spread because there are no medicines or disinfectants to be had. The people will have to be fed by outsiders, he said, until the harvest which follows the next sowing.

The new Armenian state known as the Republic of Erivan is a country so despoiled by the Turks, the Red Cross officer stated, that it does not possess even any seed grain.

"During the war," he said, "the Turks made systematic attempts to destroy the Armenian people. They forced their way through Armenia with the intention of joining forces with the Tartars to the north, massacring and com-

FALL RESOLUTION IS PASSED UP BY FOREIGN RELATIONS COMMITTEE

Senators Once More Indulge in Attack on League and Peace Pact Conditions.

BORAH AGAIN AT BAT

Partisan Politics is Charged by Senator Thomas of Colorado

(By Associated Press)

Washington, June 25.—After two hours of discussion today of the resolution of Senator Fall, republican, of New Mexico, to declare a state of peace with Germany the Senate Foreign Relations Committee adjourned without action.

Discussion of the peace treaty and league of nations developed in the Senate during consideration of the army appropriations bill.

Senator Borah declared the treaty was "a guarantee of war." He said the "acid test" of the document was not its application of the principles of self determination of people to the peoples of enemy countries but to peoples dominated by the allies.

Ireland, Korea and Egypt, he asserted, should have been given independence.

"I am not criticizing the President for what he failed to do," he said. "He was prevented by the imperialistic designs of the European nations with which he was associated. There is no doubt that the sentiment of America included Ireland."

Mr. Borah spoke in reply to Senator Thomas, democrat, of Colorado, who declared partisan politics was involved in the Borah resolution recently adopted requesting a hearing at the peace conference for representatives of the provisional Irish Republic.

AMENDMENT TO DRY MEASURE APPROVED TODAY

Would Permit Withdrawal by State of Bonded Goods.

(By Associated Press)

Washington, June 25.—Under an amendment to the prohibition enforcement bill approved today by the House Judiciary Committee a state would be permitted to withdraw tax free from Government warehouses, alcohol produced at industrial plants and needed by health authorities in time of epidemics.

In offering the amendment Representative Goodykoontz, republican, of West Virginia, called attention to the situation last year during the Spanish influenza epidemic and said in many cases physicians used whiskey as the best and most available remedy.

HUN SOLDIERS PLOT TO KILL SCHEIDEMANN

(By Associated Press)

London, June 25.—A number of soldiers have been arrested in Weimar, according to an Exchange Telegraph dispatch, on charges of having planned to arrest and murder Philipp Scheidemann, the former premier.

The plot was to have been carried out Monday evening.

LANCASTER—The municipal gas plant has signed a contract to purchase gas from the Logan Natural Gas Company at 30cents per thousand for the next year. The old price was 25 cents.

CATS AND DOGS USED AS FOOD CAUSE OF RIOT

Hamburgers Attack Food Preserving Plants.

Several Killed in Clash With Troops.

(By Associated Press)

Copenhagen, June 25.—Serious rioting occurred at Hamburg on Monday and Tuesday, when mobs attacked food preserving factories, it being alleged that the bodies of dogs and cats had been found in them.

The managers were dragged to the streets and roughly hauled. The war provisions department also was attacked and its offices wrecked.

The mob tried to disarm troops marching through the streets, and the latter opened fire, a number of persons being killed and wounded.

COUNCIL TAKES UP SINKING OF HUN WARSHIPS

Council Of Three Investigates Action of German Admiral

(By Associated Press)

Paris, June 25.—The council of three, composed of Lloyd George, Clemenceau and Wilson, at its meeting today discussed the sinking of the German fleet at Scapa, according to the Paris office of Reuters.

The council had before it and examined fully, it is added, the facts relative to what took place with regard to the ships at the time the armistice was signed.

IRISH PRESENT
ANOTHER LETTER
TO CLEMENCEAU

(By Associated Press.)

Paris, June 25.—A supplemental memorial regarding Ireland's claim to recognition by the peace conference was presented today to Premier Clemenceau along with a letter from Edward DeValera, Arthur Griffith and Count Plunkett.

In forwarding the memoranda Sean O'Cealyaigh and George Duffy, the Irish delegates here, suggested, they being now in Paris, were ready to act as Ireland's representatives if the peace conference was unable to grant safe conduct to the delegation previously named.

LEGAL BATTLE
OF MANY YEARS
COMES TO CLOSE

(By Associated Press.)

Detroit, Michigan, June 25.—A unique legal battle that spanned a number of years ended when Samuel A. Wilson was awarded \$440,000 against Chester G. White and others. The suit involved more than \$2,000,000, the sale price of large tracts of Alabama timberlands purchased by seven Michigan men in 1883, and of lands purchased individually by W. H. Wilson, father of Samuel A. Wilson. White defendant in the suit just closed, is the only man of the original seven purchasers still living.

Wilson sued to recover for his one-ninth share of the proceeds of the sale of the original tracts and the value of his 2153 acres, purchased by his father as an individual, and for \$50,000 charged against his father by the syndicate of original purchasers.

The elder Wilson in the panic of '90s, made his individual purchases at \$5 and \$6 per acre, it was declared. The property increased in value to more than \$40 per acre and the group claimed it, declaring an individual member of the syndicate had no right to buy land without first offering it to the company. Wilson contended that this had been done and the court upheld his contention.

The elder Wilson included his properties with those of the syndicate when a sale was made to a lumber company for \$2,006,250, later charging it was alleged, that other members planned to deprive him of his share of the proceeds. Suit was then brought, but the father died and the son benefitted from the award.

The sale price was tied up by an injunction from 1912 until the announcement of the court decision a few days ago, excepting for a small division made on agreement by counsel. Nearly all witnesses with close knowledge of the facts are dead and during the trial more than 10,000 typewritten pages. Four hundred depositions were introduced. There were more than 150 witnesses in the south whose depositions covered 1300 pages. More than 300 law books were used and 1000 deeds were in evidence. A safe, two trunks and four suit cases were used in the court room to hold the legal papers.

The oral argument in the suit took 18 hours to deliver and covered 600 pages of transcript, while the decision covered 86 typewritten pages.

The original purchase of land was 45,700 acres.

MAKES PROFIT OFF FLANNEL
Washington, June 25.—The navy department has sold blue flannel cloth at a profit of nearly \$400,000 over the average cost price, it was announced today. The total quantity offered for sale was 336,255 yards and the amount realized was almost 20 per cent more than the original cost at war time prices.

COCCHI ACCUSES WIFE

Bologna, June 25.—Fighting for acquittal, Alfred Cocchi, charged with the murder of Ruth Kruger in New York in 1917, presented to the court and jury a vivid description of the killing of the girl. He contended that his wife was the guilty one. He explained that he had made his former confessions for her protection, but declared, now that she had abandoned him, he would tell the truth.

RADICALS TAKE
DRASTIC ACTION
IN LISBON CITY

Lisbon, May 15.—(Correspondence of The Associated Press, by Mail)—Portugal, especially Lisbon, is in the throes of an incipient "social revolution." Since the first of May, when the working classes made a strong and peaceful demonstration of their force by an immense procession through the streets and in front of the ministries, various threatening events have occurred.

Unsatisfied with the eight-hour day granted by the government, workers "downed tools" and two big fires have destroyed two of the finest old edifices in Lisbon. The first fire occurred in the Postal Money Order department which is attached to the Bourse, the government offices and the custom house, part of the magnificent arched buildings of the principal square in Lisbon, on the northern banks of the Tagus river.

The strike of the Waterworks Company's employees coincided with the fire which broke out in three places simultaneously. The water supply was cut off, so that the firemen were helpless, and when they tried to pump water from the Tagus their hose was cut.

Many arrests were made of persons suspected of being the authors of this act of sabotage. The incendiaries have not yet been discovered, and the government is continuing its investigations and making many arrests. The damage is enormous; a great number of money orders were burned.

On the following day, the prisoners of the ancient and historical Lincoire prison revolted. They smashed furniture and doors with parts of their iron bedsteads and after setting the prison afire with their mattresses they rushed out shouting "vivas" for the social revolution. The old building, which had been a royal palace, built in the 13th century, was soon in flames and part of it was burned. Some of its 730 inmates escaped, but troops were immediately detailed to cordon the neighboring streets and hundreds were caught and removed to the Monsanto fort and other prisons.

WAS PATRIOTIC

(By Associated Press.)

Louisville, Ky., June 25.—Scores of pedestrians in the west end of Louisville have been attracted by a small red, white and blue cottage which its owner, Abraham L. Frank, terms a "one hundred per cent American home."

"That little house of mine was painted red, white and blue because I wanted to celebrate our victory in the world war," he said. "My wife did not approve of the scheme because of the attention it attracts, but patriotism won her over."

DOGS DECLINE

(By Associated Press.)

Milwaukee, Wis., June 25.—Dogs in Milwaukee apparently have had their day. Only 5,003 dog licenses have been issued this year as compared with last year and an average in previous years of 13,000. The war with the consequent high cost of foodstuffs is the chief reason.

The passing of Towser is hitting the police department hard, for 50 per cent of dog license money went to the police pension fund.

Money may not buy happiness, but empty pockets begot a lot of unhappiness.

Russia's Washington

Admiral Kolchak continues prominently in the foreground as the largest figure in the new Russia—the sanc Russia—which seems to be developing out of the chaos and turmoil of Bolshevism and anarchy.

Admiral Kolchak's record, so far as the public is advised, stamps him as a broad-minded, sincere patriot who is laboring for the good of his native land. He is the one man who has arisen to position of power since the overthrow of the Czar's regime who seems actuated by patriotism and has forgotten selfishness—he seems to have comprehended the big purpose which fate has placed within his grasp, to realize the larger ideals. His progress thus far has not been so spectacular nor so full of the promise of success as some of the other leaders who have arisen in Russia but the ranks of his followers have grown larger day by day as the merit of the cause he champions is understood and as the plodding masses realize that selfishness is not the motive. Many leaders, who promised much, have risen in Russia only to meet with abysmal failure. Analysis of the causes for failure in almost every instance showed that the Bolsheviks were able to over bid on promises that appealed only to selfishness and greed.

If Admiral Kolchak and his followers are prepared to endure present suffering, surrender personal greed and ambition for the great ideal—the welfare of the many—their progress will be relentless and the downfall of Bolshevism certain.

There is much in the record of Kolchak to justify us in sharing the belief of John Embry, American Consul just home from Omsk, who predicts that Moscow will soon surrender to Kolchak—"the George Washington of Russia."

A Little Caution

Some of the young folks, just home from months of work and discipline in the college—released from "prison"—and with the full opportunity to give free reign to their store of long restrained energies are, according to reports, a little reckless in their driving of automobiles.

With the reports coming to the newspapers of fast driving, fancy jumping from one to the other of rapidly moving cars and other thrilling performances designed to give vent to the long pent up enthusiasm of youth, it is fortunate that there have been no sad tragedies to record.

Everyone loves to see the young folks have a good time. The enthusiasm of youth which, once loosed of parental restraint when the young folks are turned out for a vacation, is one of the most pleasing things of life.

A little caution, however, in the use of automobiles, such dangerous and treacherous vehicles when not handled carefully, would not be amiss.

It might save a tragedy which would bring deep sorrow into the days of happiness. A little more caution with the automobiles will safeguard the lives of those on pleasure bent—the youngsters out for a good time—and other travelers on the streets and highways.

We do not believe in curtailing one single pleasure of the young folks. They have worked hard in school and they have a long time coming to them in which play will be a memory only, but we do believe they should be warned of dangers and the probability of harm reduced to a minimum.

A Suggestion

One of the negro church organizations meeting at Evansville, Indiana, on Monday adopted a resolution to take steps to secure congressional enactment creating a border or a "buffer" state along the Rio Grande for the purpose of voluntary colonization of the negroes.

The suggestion, so far as the negroes of the South are concerned, is worthy of consideration. The negroes of the South have never been allowed a voice in government. The possession of the elective franchise by the negroes of the South is but an empty form.

Practically no advance has been made by them. So far as having any voice in governmental affairs, so far as their social and commercial status is concerned they are in about the same position as they were before the proclamation of emancipation was issued. Although there has been, and is now, some sincere attempt made to educate the negroes, the progress made by the race, in that section, since the war has been negligible. They are the same irresponsible, happy-go-lucky, unreliable, undependable negroes of pre-war days.

The negro cannot make material advancement until he is given responsibility and that seems destined never to occur in the South. There are hundreds of thousands of unoccupied acres along the southern border out of which could, without material cost to the nation, be created a negro nation under the protectorate of the United States where the colored people could assume the responsibilities of self government and take a course in the school of experience—the only school worth while.

POETRY FOR TODAY

BY THE STREAMS ALONE

Oh, green is the grass, and the rippling streams
Are calling my boy today;
And bright are the ways where the sunlight gleams.
Where, of old, he was wont to play!

But oh, that was long, oh, so long ago!

For the sands of Time run on,
Walk by the streams where the willows grow,
But the laddie I loved is gone!

—Thomas Emmet Moore

Neglected the rod and the gun today
And his pigeons long have flown;
The doggie he loved is now old and gray;

And I walk by the streams alone!

—Thomas Emmet Moore

SOCIAL : PERSONAL MENTION : CLUBS

Mr. and Mrs. Wert Shoop, who with Mrs. Amy Hudson and little daughters, are spending the summer at their cottage on Lake Erie from time to time are extending delightful hospitality to Washington friends.

Mr. and Mrs. Calvin Holmes, Mr. and Mrs. Dave Sutherland were their guests for the week end, returning Tuesday and Hon. and Mrs. J. M. Willis, daughters, Misses Gretchen and Doris the previous week.

Relatives in this city have received handsomely engraved invitations to the marriage of Miss Margaret Elizabeth Palmer daughter of Mr. William Moore Palmer, of Shreveport Louisiana, to Mr. Eakin Lockwood Wholes.

The wedding will be solemnized on Monday evening June the thirtieth at the Saint Marks Episcopal Church in Shreveport.

The bride lived here for a number of years when quite young and the promise of her girlhood developed into unusual beauty. During the war she was engaged in nursing in a New York hospital and much disappointed that her youth prevented her being taken for overseas service.

"Dorothea M. Stewart aged 23, the little lady with much tresses, who impersonates Mickey, the Mabel Normand character in the photoplay showing at the Hartman this week, was married Tuesday afternoon at the Doshier Hotel to Joseph L. Jacobs, a traveling salesman of Cincinnati. Judge Frank E. Ruth officiated. It is the culmination of a romance of only a few weeks. She will continue to advertise the picture for a while."—Ohio State Journal.

The friends of Dr. J. J. Coons in this vicinity will read with interest the following clipping from the Ohio State Journal.

"The homestead of the late R. A. Harrison, at the northeast corner of Town Street and Grant Avenue, one of the finest of the older homes in Columbus, yesterday was purchased by Dr. J. J. Coons, H. M. Brundage, John Edwin Brown and Andrew Prout. The lot has a frontage of 120 feet in Town Street and a depth along Grant Avenue of 187½ feet to Chapel Street. The new owners intend to remodel the house and make fine office for themselves. Later they will erect upon the rear of the lot, facing Grant

Avenue and over looking Carnegie Library Park, an office building for doctors. The location is advantageous, as it is practically across Grant Avenue from Grant Hospital.

"Governor and Mrs. Cox will share honors with ex-Governor Campbell at his birthday anniversary celebration Monday, July 7, at Scioto Country Club, Dr. and Mrs. J. J. Coons yesterday issued invitations for the event, which will be featured by a men's handicap golf match in the afternoon, with a buffet supper followed by dancing."—Ohio State Journal.

Mrs. Regina U. Staubs took the boys of her class in the Presbyterian Sunday School, the "Black Cat" Class on a very jolly picnic Wednesday—Chaperoned by Mesdames Staubs, V. J. Hoppers, Roscoe Baughn and Harry Sprenger twelve boys motored out to a beautiful picnic place on Pain Creek on the Prairie pike in the neighborhood of the Frank L. Parveth farm and spent a very happy day swimming, fishing and playing on the green.

A most appetizing picnic spread was the most popular feature of the day.

As their way of "starting at the bottom of the ladder," women students of the University of Cincinnati are to serve as waitresses, marketers, hostesses and managers of the co-operative tea room which is to be established at the Woman's City Club. The new restaurant is to be a public eating place. It is the laboratory and practice field for university classes in institutional management.

Under the direction of Miss Grace Williams and Miss Helen Hahn, of the Home Economics Department, girls are to plan luncheons, teas and dinners, dress the tables, escort the guests, who may be men or women and may or may not be members of the club, to their tables, serve the meals in the latest and daintiest way prescribed by the dictates of home economics, collect the money and keep the books of the establishment. Each girl serves in turn, so that the superior woman who has the chance to short-change the tired business man one day is evolved into the shy, dainty waitress of the morrow.

For the sake of education, which must reach out for the practical in this age, the public may be served by these university students, many of them "post-grads," at luncheon from 11:30 to 2 o'clock, at tea from 3 to 5 and at dinner from 5:30 to 7.

There is new equipment in the club kitchen, donated to the club for just this purpose, and there is a delicatessen stand, where jellies, marmalades, cookies and fine cakes, all made by the students, may be bought.

With the idea of establishing an eating place somewhat higher in standard than the ordinary restaurant the tea room has been made primarily a laboratory, with a subsidized course, which is purely educational. Students are to receive credit for the summer term, and those of the winter terms are to be required to serve in the laboratory as part of the home economics course.

Tips are taboo. One does not tip a student for taking a college course.

Mrs. Arthur Priddy, of Manchester, N. Cal., is the guest of her sister-in-law, Mrs. Ralph Penn.

Mrs. Willard Story and daughter Mary Ann, returned Tuesday night from a visit with Mrs. Story's parents Mr. and Mrs. C. K. Howard in Circleville.

Mrs. J. C. Michael and daughter, Mrs. Hughey Thompson motored to Wilmington Tuesday afternoon to bring home Miss Florence Michael from several days visit.

Margie Keener and Marjorie Davis of Greenfield are guest of the former's grandparents, Mr. and Mrs. Leslie Combs.

MR. GEORGE OSBORN LOSES HIS MOTHER

Washington friends of Mr. George Osborn will read with regret and sympathy the following announcement in the Wilmington paper.

"Mrs. Granville Osborn, of New Vienna, died at her home there Tuesday morning early, after an illness of some duration, at the age of 89 years. Mr. Osborn is living and is also 89 years old. They have a son, of Washington C. H., George Osborn, former Deputy Sheriff of this county, and for many years a traveling salesman out of the neighboring city. A daughter, Carrie, lives at home.

Mrs. Osborn was a sister of Mrs. Lois Austin, of this city, and an aunt of Simeon G. Smith, also of Wilmington. However, the family is not related to the large family of Osborns in the county.

Funeral services will be held Thursday afternoon, at 3 o'clock, at New Vienna."

Mr. Osborn and wife were with his mother during her last illness and will remain for the funeral services.

EMMIT BALDWIN GETS DISCHARGE

Private Emmitt H. Baldwin, son of Mr. A. T. Baldwin, of Lima, who was engaged in the drug business in this city for many years, received his discharge from the 328th Regiment Band on June 4th upon his arrival from ten months service overseas.

Private Baldwin went to France with the 322nd Regiment, M Company with which he took part in the St. Mihiel drive and in the Argonne offensive. He was later transferred to the 328th Band, where as a bugler in the life and drum corps, he played for the divisional horse show and review.

After a short stay at the home of his parents in Lima, Mr. Baldwin entered the Y. M. C. A. College at Lake Geneva, Wis., where he will fit himself for Y. M. C. A. work.

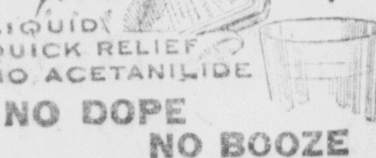

GORGEOUS GOWNS WONDERFUL JEWELS

The Palace theater management is convinced that it is bringing one of the biggest box office attractions of the past two years on Friday in Kitty Gordon in "Playthings of Passion."

The Minneapolis Daily News pronounces this picture as "one of the most beautiful pictures and one of the most wonderful fashion displays of the season."

"Miss Gordon has been named by leading artists and sculptors, both at home and abroad as one of the most beautiful of women. Not only this, but she is known as one of the best, and most charmingly dressed women and she is internationally famous as a fashion-setter."

Among the wonderful accessories to her dazzling costumes Miss Gordon will wear a \$15,000 Ermine coat, a \$100,000 rope of pearls; a \$1,000 Bird of Paradise; a \$25,000 Sable wrap; a \$20,000 pair of earrings; a \$15,000 bar pin; A \$2,500 gold mesh bag; \$5,000 worth of ostrich plumes.

COLUMBUS PIKE CONTRACT TO BE LET ON JULY 11TH

Included in 362.67 miles of highway building to be let on July 11th, by the State Highway Commission, is the Columbus pike job from this city to the Fayette county line, a distance of nearly 13 miles.

The road is advertised for letting in three sections, the first containing 5.01 miles, the second containing 3.63 miles and the third 4.11 miles.

At the same time contract probably will be let for construction of six miles of the same road, located in Madison county. That section located in Pickaway county is not advertised, but may be included in the second road letting on July 18th.

It is expected that if the contracts for the rebuilding of the Columbus pike are let at the time above stated, that quite a section of the road will be rebuilt this year.

NEW MEN PLACED IN ATHLETIC LINE

The Washington Athletics' lineup for Sunday's game will present several changes, especially in the outfield. It is expected that A. Grandie will be replaced in right field by Groover. In case that a fast second baseman is secured by Sunday, Adams will cavort in the sunbathed garden. This would bolster up the line-up considerably and in view of a hard game the change would raise the hopes of the local bugs.

The team will be strengthened at every opportunity and some of the best teams of the state will be booked.

PEDDICORD TEAM STILL IN THE LEAD

The second series of the volley ball tournament was held Wednesday at the Y. M. C. A. The Peddicord team held up their record of unbroken victories and the other teams received a serious setback as a result. Three games were played among the trio of entries and the Peddicord passers came up on the long end of the score twice.

The first game was between Bert Ellis' squad and the Barber bunch. Barber was defeated 21 to 17.

Although victors in the first tussle the Ellis team was an easy mark for Peddicord in the second game and went down to defeat by a score of 21 to 8.

For the third tilt the Barber squad came on the floor and played the league leaders to a finish but Peddicord was able to edge out with a single point in his favor. Score 21 to 20.

The league standing is as follows:

Team	Won	Lost	Pct.
Peddicord	4	0	100
Barber	1	3	250
Ellis	1	3	250

BOMBER PASSES OVER THE COUNTY

A large bombing plane passed over the northern part of Fayette county, shortly after noon Tuesday, passing from west to east.

The plane, according to those who saw it, was unusually large.

The bill against ticket scalpers seems to have been snatched bald-headed.

ANOTHER SMASH ON BAD BRIDGE

A Maxwell touring car belonging to N. A. Kaspar, of Pomeroy, crashed into the railing on the Richmond Dale bridge over the B. & O. railroad track, four miles south of Chillicothe, a day or two ago and the five occupants of the car were badly bruised and shaken up.

The machine was being driven by Mrs. Kaspar and in making the turn that leads on the bridge she suddenly lost control of the car with the result that it struck the railing. Fortunately the railing was strong enough to keep the car from going over to the tracks twenty feet below. This is the third accident that has occurred on the bridge during the last few weeks.

NEW MILLING CO. AT KINGSTON

The Snyder Brothers Milling Company of Kingston has been transferred to the newly incorporated Snyder Milling Company who will proceed to construct a large and completely fireproof building with a capacity of about 250 barrels daily.

A stock company has been organized with F. M. Myers as president. The new company is incorporated for \$250,000, of which \$90,000 will be common and \$160,000 will be preferred stock.

REDUCE NUMBER OF SCHOOL TEACHERS

(By Associated Press.)

Cleveland, O., June 25. — Approximately 200 of the 3,000 teachers employed in the public schools here have been omitted from the list of re-appointments for the next school term by the board of education. The reduction was made because of lack of funds at the disposal of the board to put a \$200 wage increase into effect. If financial relief is secured, however, the teachers eliminated are in line for immediate reappointment, it was announced.

CALL MEETING TO RE-ORGANIZE LOCAL GUARD CO.

All World War Veterans Interested in Reorganization Meet Thursday Night.

This City Believed to be Only Community Where Unit of 166th Not Represented.

It is announced authoritatively that a real effort is to be made to reorganize M Company, of this city, and inasmuch as virtually every other company of the famous Old Fourth has been reorganized, there is every indication that M Company once more will be a living unit of the military forces.

Colonel Benson W. Hough, former commander of the old Fourth Ohio Regiment, has requested Major O. E. Hardway to ascertain the sentiment in Fayette county towards organizing M Company, of the National Guard. Other communities in the state have already made considerable progress, and Fayette county must get busy if it wants a company here again. M Company made a glorious record for itself in France, and it is the opinion of many of those interested that it should be reorganized, and that the nucleus can be found in its former members and other veterans of the World War.

Major Hardway has sought the as-

sistance of the local council of World War Veterans, and its officers have decided to ask all members, former soldiers and others interested to meet at the G. A. R. Hall, Thursday night, June 26th, at 7:30, to discuss the matter.

Any person who is interested in any way is urged to attend this meeting, as Major Hardway and those working with him are very anxious to obtain the sentiment of the young men of Fayette county towards the matter.

It is necessary that one hundred men agree to enlist before a recruiting officer can be brought here to enlist them and muster the company into service. The enlistment period will be for three years, but it is understood that strong pressure is being brought to bear to abandon the three years in the reserve as was formerly the case after a man had served his regular enlistment in the National Guard.

WILL BE HERE AFTER RECRUITS

Lieutenant Banker and five men from the Army Recruiting Station, 612 Vine street, Cincinnati, Ohio, leave on June 26th for a 39 day tour of the Cincinnati, Ohio, Recruiting District.

This party will be at Middletown from June 26th to 28th; at Cincinnati from June 29th to July 2nd; Xenia, July 3rd to 5th; Washington C. H., July 6th to 8th; Wilmington, July 9th to 10th; Hillsboro, July 11th to 13th; Greenfield, July 14th to 16th; Jackson, July 17th to 19th; Wellston, July 20th to 21st; Gallipolis, July 22nd to 25th, for the purpose of accepting applicants for enlistment.

All branches of the service are open to men between 18 and 40 years of age.

JOHN N. STRAAT, Colonel, Infantry, Recruiting Officer.

AFTER RECRUITS AND GIVES INFORMATION

Chief Gunners' Mate, R. M. Larimer, formerly of Bloomington, but who has been in the United States Naval service for a dozen years, will be at the post office in this city on July 5th, for the purpose of examining naval applicants and is prepared to give all discharged soldiers, sailors

and marines information regarding their war risk insurance.

All men who have been in service, and who have allowed their insurance policy to lapse, will be informed how to have it revised, and he also will give information on conversion of the policy into the new form of insurance the government is soon to offer.

FUNERAL SERVICES MRS. MARY R. DAVIDS

The funeral services Monday afternoon for Mrs. Mary R. Davids, held at the home of the son, Grover, with whom she had made her home since the death of her husband, were largely attended by relatives and friends from both the Center Church neighborhood and surrounding communities.

Rev. Harley J. Moore, pastor of the Center M. E. church, assisted by Rev. Eliza Thorne of Sabina, conducted an affecting service that was identical with that of the husband six months ago. Miss Blakely and Miss Shoop sang softly the hymns: "Asleep in Jesus," "Nearer My God to Thee" and "One by One."

The floral remembrances were beautiful and in large numbers.

Six nephews acted as pallbearers, John Davids Jr., John Simmons, Sam, John, Robert and Elmer Zimmerman. Burial was made in the Millidgeville cemetery in the family lot, beside the husband, the late John Davids.

AUTO OVERTURNS AT INTERSECTION

In order to avert a collision by making a quick turn, a Ford car, driven by Oliver Robinson, was turned over at the intersection of Columbus Avenue and Delaware street at noon Wednesday.

A delivery truck approached the crossing on Delaware street at the same time the car driven by Robinson was crossing and by a sharp turn to avoid a collision the Ford driver dodged the truck but struck the curbing and turned over, throwing the driver to the ground and breaking the axle and radius rod of the machine.

IMMENSE FAN COOLS PLAYHOUSE

The Wonderland Theater, owned by Charles Johnson, has been equipped with a modern system of ventilation, whereby the air may be entirely changed in ten seconds.

A huge four-foot fan creates such a suction that an ordinary bank note may be drawn from the entrance to the rear of the building.

The system adds much to the comfort and pleasantness of the playhouse.

LACTOFEED
NEAR-SOLID BUTTERMILK

Lactofeed is an auxiliary feed that is just naturally so crammed full of pent-up energy a hog can't help enjoying himself when he tastes it.

The value of any kind of feed is determined by its percentage of digestibility—how much of it really does the work?

The digestibility of crude protein in corn meal is about 76 per cent; that of carbohydrates in corn meal is 84 per cent. IN LACTOFEED IT IS ONE HUNDRED PER CENT!

Lactofeed is distributed by the manufacturer through all cream stations operated by the J. A. LONG CO.

The Greatest Tribute Ever Paid the Credit System

Was at the times of the United States Government Liberty Bond Sales to which the people of this county subscribed so generously. Millions of people in incredibly short time extended credit to the United States Government to the extent of billions of dollars.

If this great nation of ours sees fit to operate this mighty government on credit, certainly there can be no argument against the principle of credit business. The credit furniture business of today is as dignified as any other and more so than many. If you are one of those who think that only cheap furniture of poor design and construction is sold on credit, then you should investigate. Our

RED CROWN GASOLINE Polarine

Ready to Carry On

A tankful of Red Crown Gasoline makes the car fairly radiate power. It's because Red Crown is clean, gingery gas whose only function is to propel—to make most mileage. Does it without leaving carbon to cripple engine action and hasten repairs. Costs no more but does more. Uniform everywhere you get it.

Polarine lubricates as well as Red Crown propels—keeps gas from slipping past piston rings and cylinder walls—delivers it all to rear wheels as driving power. Practically non-carbonizing.

Polarine Cup Greases and Transmission Lubricants are best for bearings.

BOXING CONTEST AND WRESTLING BOUT HERE 4TH

Fast Contest To Be Put on At Sunnyside Ball Park Afternoon of July Fourth.

Sport Popularized During War Expected to Draw Big Crowd of Fans.

The great number of boxing and wrestling fans in this part of the state will be treated to a genuine boxing contest and also a wrestling bout here on the afternoon of July Fourth, when two of the best light-weight boxers in the state will meet at the Sunnyside ball park for a six-round contest, and two of the best wrestlers obtainable will put on a finish bout immediately after the boxing contest.

When the government placed the stamp of approval on boxing and made it a part of every man's training in the service, the sport was popularized and fans are of the opinion that this will be one of the leading sports for years to come. To meet the demand for this sport, Matchmaker Chick Saylor has arranged for one of the fastest six-round boxing contests staged in Ohio this year, and a wrestling bout that promises to be one of the best ever witnessed by local fans.

In the boxing contest Tony Lascola of the Great Lakes Training Station, will hook up with Johnny Meyers of Camp Sherman. Both men have recently been discharged from the service. Lascola was the champion 135 pound boxer of the Great Lakes and Meyers turned the trick against everything that came up before him while doing his bit at Sherman.

The match will go six three-minute rounds and will be refereed by Chic Saylor, who is an old ring man himself. These two men are a couple of the best artists in the game of give and take in Ohio and a lively bout is anticipated.

The show would not be complete without a real wrestling bout, so Saylor has arranged to have a finish bout for two out of three falls on the bill. The Masked Marvel, an unknown 140 pound man will go on with Matty Matsuda.

The Masked Marvel has a record that fully qualifies him to match up with such an old hand at the game as Matty. He is unknown generally, but is a wrestler of marked ability, having won several big matches in Columbus during the past winter.

Matchmaker Saylor has arranged to have the results of the Willard Dempsey fight given round by round at the ringside and this alone will prove a big attraction for the devotees of the roped arena.

An added feature of the show will be that ladies will be admitted free and every courtesy extended to them. Many of the fairer sex are expected to be on hand.

Sunnyside park will be the scene of the matches and the ring will be so arranged that virtually every seat

In the grandstand will be a ringside seat. The show will start promptly at 2:00. This will start the proceedings at about the same time as the big bout at Toledo.

DAVIS IS CHOSEN COUNTY ENGINEER

Will Davis, brother of Phil Davis, of this city, has been chosen County Engineer and Road Superintendent of Greene county, following the resignation of the former engineer.

Mr. Davis had been associated with the State Highway Department for several years, with residence in Xenia, and because of his exceptional ability was chosen engineer and road superintendent for the next two years.

FRANKFORT MAN MADE DEFENDENT

Walter F. Tinker, of Frankfort, has been made defendant in a sensational suit filed in the common pleas court of Ross county by Mary A. Sauer, heir of the late James Dunlap, formerly of Chillicothe.

Tinker, who is said to be a brother to the defendant in a \$27,000 damage suit filed by Elmer Junk of this city as result of a land deal, is said to have attempted to defraud the plaintiff. Regarding the action filed this week the News Advertiser of Chillicothe says:

"By fraud and misrepresentation, the plaintiff claims, she was induced to execute and deliver to Tinker a deed for about 400 acres of land in Union township, and two properties in this city, one on West Water street and the other on High street. In her petition Miss Sauer asserted that, being a woman of little education and no business ability, she thought she was giving Tinker a lease on the property for one year with privilege of two additional years. In reality she gave him a deed for the property, reserving only a life estate for herself, she says.

"Value of the property involved is estimated at between \$100,000 and \$200,000. A part of it lies in the site of Camp Sherman and was to have been sold within a few days by Tinker to the government. Miss Sauer further alleges. Upon the filing of her petition, Common Pleas Judge Goldsberry granted an order to restrain Tinker from disposing of any part of the premises before the case is heard in court.

"The woman is represented in the case by Attorneys A. P. Minshall and P. J. Blosser. After serving for many years as housekeeper for the late James Dunlap she was named as one of the chief heirs. Tinker was also an heir under the Dunlap will."

PLANS ANNOUNCED FOR NEW BUILDING

As announced Wednesday morning the work on the Shannon block, on South Fayette street, now owned by Frank Bending, will soon be underway. Plans for the garage to occupy the site of the old Shannon property are being drawn. A. L. Rhoads has been employed as architect.

The plans call for a one story building to extend the full length of the sight and to be finished in white stuccoing. The building will be occupied by the Bending-Overland Agency and will be called the "Home of the Overland."

This will eventually lead to other improvements in the same block, it is understood, but no definite announcements have yet been made to that effect.
